Dear Warren:

I am ever so grateful for the strong and supportive community of past students that reside in the cold north of our hemisphere, and on behalf of St. George's College, I want to thank the Old Boys of Canada for your very generous gift of Can\$10,000, and for the reference library software that was added to the gift. I know that the funds were the result of a summer fete that was accomplished by the joint work of many hands. I thank each of your Executive members, past students, families, and friends who came together to stage the summer festival that allowed you to donate such a substantial amount of money to your old school, St George's College.

Since I visited your cozy community this past summer, I have begun to appreciate even more the supportive community of men and women that has grown in the freezing tundra of Canada. (I am still amazed that such a tropical-born community could prosper so well in the cold!) Our school, and I personally, have grown dependent on your support and it is clear that this assistance comes not only from the StGC Old Boys, but of your wives, children and assorted friends. I can see that this is a joint effort made of dedicated and caring people who rally around the St. George's flag. And I know that deep ingrained in their hearts lies the Jesuit motto, A.M.D.G. (Ad Majorem dei Gloriam) — To the Greater Glory of God. As we move now past our 150<sup>th</sup> anniversary year, we still want to nurture and rekindle the spirit of our founders that seemed to blossom so deeply this past year in our celebrations. We thank you all for being a part of our efforts this year and for being so well represented at our festivities. We shall let you know how we use the donated funds

Again I thank all of your members. My hope is that the support and communication that has been growing will continue to blossom in new and creative ways as we build, even stronger, the ties that bind the Old Boys of Canada and St. George's College. May God bless your works and your families.

Sincerely,

(Fr.) Ted Dziak, S.J.  
President and Chairman
