

CONGRATULATIONS!

## Fellow of Engineers Canada

Our very own GARY THOMPSON (FEC), STGC Class of 1978, has been recognized by Engineers Canada for his noteworthy service to the engineering profession.

Gary has been awarded the designation of *Fellow of Engineers Canada*. He was bestowed with this honour on recommendation by Professional Engineers of Ontario (PEO).

With over thirty years' experience in Ontario, Gary has demonstrated success and leadership in electrical engineering, sustainability infrastructure, energy solutions, innovation and project management.

The STGC Alumni Association of Ontario congratulates Gary on this prestigious title which honours his own advancement and service to the profession of engineering in Canada.

Gary is a former president of the STGC Ontario Chapter and presently serves as membership director.
