Ontario Chapter grants annual student scholarships

The Ontario Chapter congratulates its 2026 scholarship recipients: **Triston Turner**, awarded the **Carl Anthony Chang Scholarship**, and **Deidrich Miller**, awarded the **Dr. G. Raymond Chang Scholarship**.

Established in 2020, the annual scholarships support two fifth form graduates through lower and upper sixth form at St. George's College. They honour the late Dr. G. Raymond Chang (1949-2014) and Carl Anthony Chang (1944-2011).

Triston Turner, Class of 2026

AWARDS AND HONOURS

Knights Award;

Honours Award;

John T. Rupley Scholarship (Class of 1976), held from Third through Fifth Form

CARL ANTHONY CHANG SCHOLARSHIP

Triston Turner

Principal's Award recipient 2026

Triston combines academic excellence with consistent service in school life, church and the wider community.

He earned **nine Grade 1s**, all with straight-A profiles, and **two Grade 2s** at CSEC. He maintained an average of at least 80% every semester from first through fifth form, made the Honour Roll each year and placed third in the graduating class.

The top student in Principles of Accounts, he also placed **fifth among more than 650 participants** in the UWI Mathematics Olympiad.

He served as a sub-prefect, student council representative and beadle. His interests span the Mathematics, Robotics, Modern Language, Tourism, Entrepreneurship, Science and Peer Counselling clubs, as well as tennis, volleyball, basketball and choir.

Triston's accomplishments reflect the College's call to be "a man for others." We wish him every success in the journey ahead.

DR. G. RAYMOND CHANG SCHOLARSHIP

Deidrich Miller

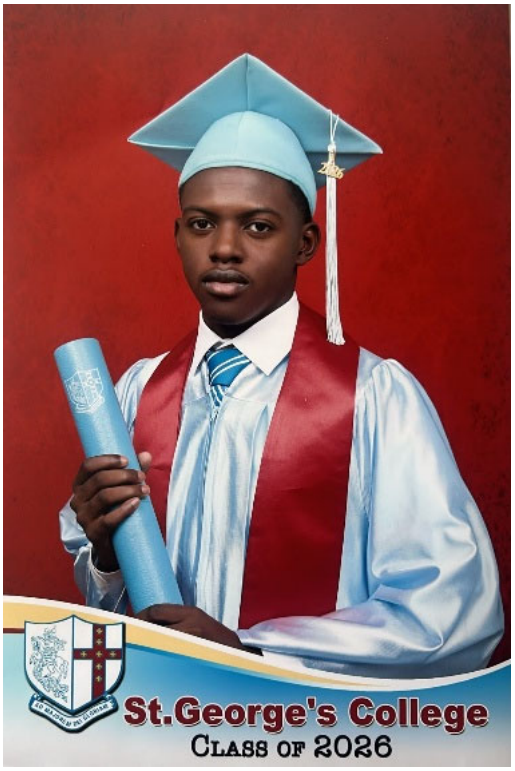
Determination in the classroom and on the court

Deidrich Verley Miller credits his parents, Rose-Marie Carty and Yehert Miller, with working hard to give him and his older brother opportunities they had not enjoyed. He entered St. George's College in September 2021, adapting to a hybrid learning environment during the COVID-19 pandemic.

At 5 feet 7 inches, the determined point guard helped STGC win the **ISSA Under-14 urban and national basketball titles in 2022-2023**. The team became Under-16 Urban Champions and national runners-up in 2024-2025, and finished fourth in 2025-2026.

In Fourth Form, his aptitude for Economics, Principles of Accounts and Chemistry strengthened his resolve to excel. He made the **2026 Honour Roll**, placed second in his form and received the **Owen Fisher Scholarship for Economics**.

Grateful for his sixth form scholarship, Deidrich intends to keep representing the College while pursuing his ambition to become an economist or chartered accountant.



Deidrich Miller, Class of 2026

CSEC RESULTS

Grade 1	Chemistry, Mathematics, English Language, Principles of Accounts, Information Technology
Grade 2	Economics, Industrial Technology (Building)
Grade 3	English Literature
